

Discontinued Products Bin

What do you use this for?

Put in here all products that are not on the current order sheet

What do you use this for?

Anytime you have to give product away, this is the first place to pull from. Great for hostess gifts, raffles at your parties, signing bonuses to consultants, gift baskets that someone asks you to donate for a fund raiser, etc.

What paperwork do you fill out?

If you sell product from here, just write a sales ticket as usual and calculate the tax. Otherwise, no paperwork required—yay!
